Current Release Notes - Qloud

Improvements in Quantrix Qloud Version 19.2.0

The model server interaction with scripted buttons on a canvas has been improved and scripted buttons are enabled and disabled correctly, matching the behavior of scripted buttons in Modeler (QWC-2202)

Significant Issues Fixed in Quantrix Qloud Version 19.2.0

(none)

Known Issues in Qloud Version 19.2.0

(none)
